Siemens PLM Standard WebKey Creation link

Enter Sold-to ID and WebKey Access Code

On the next page you will be asked to enter your Sold-to ID and WebKey Access Code.

Sold-to ID

The sold-to ID is on the shipping order and the FlexLM license sheet. If you don't have this information contact your system manager (typically the IT department) or you can call:

- Siemens at 800-955-0000 at the prompt press 2 then 6
- Predictive Engineering at 503-206-5571

WebKey Access Code

Dongle

WebKey Access Code is in the Serial Number:

0 0 1 - F X - 0 0 - 0 0 0 0 - 0 0 0 0

WebKey Access Code

The serial can be found on the dongle or by going to **Help** → **About**

Flex

The WebKey Access Code is the **Server Host ID** found by hitting the **Security** button from the **About** dialog.
